CPP20218 Certificate II in Security Operations

Introduction

Western Sydney Vocational Training Academy (WSVTA) is a Registered Training Organisation RTO number 46186 registered with the Australian Skills Quality Authority. WSVTA is pleased to offer the CPP20218 Certificate II in Security Operations. The course is suitable for people looking to obtain their NSW Class 1A Security License and work as a Security Officer. These Security Officer roles can include static guarding, patrolling, loss prevention, and crowd controllers.

This course has occupational licensing, legislative, regulatory and certification requirements and these vary in each State. On successful completion of this qualification along with other licensing requirements, learners may be eligible to apply for a Security License and enter the Security Industry in NSW. You can find out more about NSW security operative licencing at the following website: <https://www.service.nsw.gov.au/transaction/apply-for-a-security-operative-licence>

Who is responsible for your training?

WSVTA is responsible under the National Vocational Education and Training Regulator Act 2011 for the quality of the training and assessment being delivered in this course and for the issuance of all AQF certificates.

Units of Competency

The CPP20218 Certificate II in Security Operations contains 14 units of competency, all of which are core units. Please find the unit code, Unit Title and Core units listed in the table below.

Authority requirements, the CPP20218 Certificate II in Security Operations may be issued. The qualification and units of competency are nationally recognised and provide individuals with a valuable qualification that can be applied throughout the wider Security community.

National recognition

On successfully completing the training and assessment you will be issued a Certificate issuing you the 14 units of competency: CPP20218 – Certificate II in Security Operations.

WSVTA is responsible for the quality of the training and assessment being delivered in this course and for the issuance of any AQF certificates.

Program outline

Training is delivered in a blended mode classroom based which is trainer led combined with self-paced learning. Written learning activities will reinforce theoretical knowledge, and skills will be practiced in the classroom face to face where learning will be placed into context. The course modules (clusters) are sequenced in a way that allows a logical progression. Participants will be provided with professionally presented reference material to assist them in developing their knowledge of the subject.

Location

Western Sydney Vocational Training Academy' brand new training facility has been purpose built in Western Sydney to accommodate students from the Western Suburbs and surrounds.

WSVTA's training facility is located at Kingswood Square, Shop 7/240 - 250 Great Western Highway Kingswood NSW 2747. Specialised course training and practical skills training will be delivered from this location.

Located on the Great Western Highway near Kingswood Railway Station. WSVTA's Training Facility is easy to access by Public Transport or car. On-street parking is available with further parking available at the public car park located at the station.

Classroom and Practical Training Site:

Shop 7/240 - 250 Great Western Highway Kingswood NSW 2747

Facilities

There are a number of facilities available to students including, a number of take away restaurants near the training facility.

Course duration

The program is designed to be delivered over 130 hours. WSVTA can support participants that need additional time. Eighty hours (80) of the course are allocated to theoretical practical training and assessment. Forty hours (50) have been allocated to self-paced online study.

The CPP20218 Certificate II in Security Operations course program consists of the following time commitment for learners:

- 40 hours per week over 2 weeks of classroom training (80 hours)
- 50 hours online self-paced study

Assessment requirements

The assessment requires the learner to complete a written knowledge assessment and demonstrate their applied knowledge and skills. Including a pre course Sled mandated Language Literacy and Numeracy test and pre course knowledge test.

The following provides a brief explanation of the assessment methods that are to be applied:

Knowledge Test. The student is required to undertake a number of written knowledge tests as a result of the Course study. These tests will be provided to the student by the assessor at an arranged time and the student will be required to individually complete the test.

Demonstration / Role-Play. The student is required to demonstrate a range of skills whilst being observed by, or interacting with, the assessor. These activities will be clearly explained and always relate to duties relevant to the workplace. These activities allow the assessor to observe the student apply their knowledge and skills during practical activity.

Entry requirements

There are no specified entry requirements for this qualification specified within the Industry Training Package. Noting this, WSVTA requires persons who undertake this course to:

- be aged 18 years or over
- able to commit to the course duration and time commitment
- able to provide 100 points of identification
- must be a fit and proper person to hold the class of licence
- no criminal convictions (National Police Check)

Please note. WSVTA will engage with persons expressing interest in enrolment to discuss their language, literacy and numeracy skills. WSVTA can provide additional learning support to students who require basic assistance. For students who have more fundamental support needs, WSVTA can refer these students to a specialist language, literacy and numeracy development provider who can assist students to improve their language, literacy and numeracy skills to enable them to suitably commence the course.

Student Information

Detailed student information is available within our Student Handbook which is supplied with the enrolment package. This booklet contains important information about a student's rights and obligations such as their right to privacy, a safe training environment and the right to complain or appeal an assessment decision. It is important that persons applying for enrolment have had an opportunity to review this information first. Please contact us and we can send this information to you straight away.

Student Enrollment process

While WSVTA will endeavor to complete the enrolment process as quickly as possible, please allow up to 5 business days from confirmation of your payment for enrolment. Upon enrolment, students will receive via email course information.

The following documentation and details must be collected and verified for each student enrolling in a the CPP20218 Certificate II in Security Operations.
